

Preferred Options Comments Form

Please provide your name and contact details so we can let you know the outcomes of the Preferred Options consultation, and keep you informed about future events in the production of the Minerals and Waste Development Plan Documents.

Your details will be held on a database which will only be used in the work undertaken on the Minerals and Waste Development Plan Documents. The database will not be used again once the work has been completed and your details will not be passed to any other organisations.

Name:
Organisation:
Address:
Phone:
E-mail:

The form below is set out to allow you to identify whether your comments relate to the Core Strategy or the Policies or Sites document, and which policy in these documents you are commenting on. Space is then provided for the comments you wish to make. Copies can be made of the forms if you require more space, or you can simply continue on other sheets of paper. Space is also provided at the back of this form for to make any general comments which are not specific to a particular policy.

You do not have to use this form to comment on the Preferred Options report, but if you are using a different method, it would be helpful if you could identify the section of the Preferred Options reports you are commenting on; whether it be a specific document, policy plan or section of text.

Please return the forms by:

- e-mail to marln@entecuk.co.uk
- by posting it to Entec UK Ltd, Northumbria House, Regent Centre, Gosforth, Newcastle upon Tyne, NE3 3PX
- by faxing to 0191 2726110

Please make your response by 2nd April 2008 and mark it for the attention of Neil Marlborough.
