

Issues and Options Comments Form

Please provide your name and contact details so we can let you know the outcomes of the Issues and Options consultation, and keep you informed about future events in the Minerals and Waste Development Plan Documents.

Your details will be held on a database which will only be used in the work undertaken on the Minerals and Waste Development Plan Documents and will not be used again once the work has been completed.

Name:
Organisation:
Address:
Phone:
E-mail:

The form below is set out to allow you to identify the Issue which you are commenting on, the Option which you think is the most appropriate to use, as well as providing space for any comments you want to make. Copies can be made of the forms if you require more space, or you can simply continue on other sheets of paper.

You do not have to use this form to comment on the Issues and Options report, but if you are using a different method, please can you make sure the Issue you are referring to, and the Option you have chosen, are identified.

Please return the forms by:

- e-mail to marln@entecuk.co.uk
- by posting it to Entec UK Ltd, Northumbria House, Regen Centre, Gosforth, Newcastle upon Tyne, NE3 3PX
- by faxing to 0191 2726110

Please make your response by 30th June 2007 and mark it for the attention of Neil Marlborough.
